Walton then presented a summary of the events regarding Ms. Blake's residency change and included a number of documents generated during the period of her candidacy as a Bridgeport Firefighter. He explained that during the candidacy period, Ms. Blake was a victim of mail theft and

switched her mailing address to a location in Norwalk, but maintained her residence in Bridgeport. She has an active lease in Bridgeport. Atty. Walton said they were requesting the issue be corrected.

Ms. Blake added that a change of address was sent because she had been told that she would be starting in February, but never received notification. She has been a resident of Bridgeport since 2018.

Mr. Amado said that there were some clarifications for the record. An email was sent to all firefighters regarding some screening in 2019. He said that the email updating her address was received before Ms. Blake received the rescission letter.

Ms. Blake stated that she had spoke with Council President Nieves about this and Council President Nieves had been to her residence. Discussion followed about current residency documentation.

**Re: Recommended Termination of Probationary Employment
Employee # 217509**

Dear Mr. Johnson,

You were hired as a Maintainer I Grade I in the Public Facilities Department of the City and began work on 1/6/2020. Continued employment is conditional on successful completion of "a probationary period of one hundred and eighty (180) calendar days, which shall not include sick or other absent days". To date you have completed 177 working days of employment.

Yesterday, 5/20/2021, you came to work smelling strongly of marijuana. You were ordered to undergo a reasonable suspicion drug test. At the testing center, you insubordinately refused to comply with this order until security was called at which time you relented and begrudgingly complied. We are awaiting the test results.

Because of your insubordinate behavior and current status as a probationary employee, I am recommending to the Civil Service Commission that your employment with the City be terminated immediately. This issue will be addressed at the Civil Service Commission scheduled for Tuesday, June 8, 2021.

You are hereby placed on paid administrative leave pending the outcome of a Civil Service Commission vote on my recommendation.

Sincerely,

Craig Nadrizny
